

## March 2004 Mission Minutes

We collected \$150.87 in the February mission buckets. We sent \$300 to Salem Ranch, a Christian residential children's home in Flanagan, Illinois. We look forward to possibly doing some work projects out there.

So far in February we have helped a family with medical equipment rental, and a family with food certificates. We will be donating the sausage for the Allan Reynolds' benefit.

As I am writing this, we have just finished our Chili Supper. We served 343 people, which is over a 100 more than last year. It was a great turn-out!!! We are so thankful to everyone who worked, donated food, and bought & sold tickets. It is only possible when everyone pitches in and helps!!! As of now, we have made about \$1200 profit. I'm not sure if all the money is in or if all the expenses have been turned in...so I will update you when I get a final figure!

Our March mission buckets will go to help with food baskets for Easter.

God bless you for all you do to reach out in the name of Christ!
